Dear George:

Many thanks for your letter of 26 December  
and for the copy of your lecture, Photography  
Remains King in Aerospace Age.

I appreciate your thoughtfulness in providing  
it to me and I shall pass it along to Art Lundahl.

In the meantime, I have read it through and  
detected the same old missionary fire in the writer.  
Keep it up.

Best wishes for the New Year.

Sincerely,

Dear Pearre:

A short time ago I delivered a lecture to the American Society of Photogrammetry members in the Dayton area and, knowing of your great interest in Aerial Photography, I am sending you a copy of my paper. After you have read it you might pass it along to Art Lundahl.

Kindest regards and best wishes for the New Year.

Sincerely,

George W. Goddard
